

Vocal-it[®] One

by TRIZERO

User's guide for the Vocal-it[®] One App

1. Install the "**Vocal-it[®] One**" App on your smartphone (*iPhone; Android 2.3 or higher*). There are two ways to do it.

Quick Download

If you already have a QR Code reader on your smartphone, take a photo of the QR Code below and you will be automatically redirected to the "**Vocal-it[®] One**" App installation.

To record the voice message associated with Vocal-it[®], the Vocal-it[®] One App is required, available free at Apple Store and Android Market. Use the adjacent QR Code to download the App.

Vocal-it[®] One is available at:

Or ...

For Apple

Go to App Store from your iPhone, find "**Vocal-it[®] One**" and download the free App.

For Android

Open Google Play, find "**Vocal-it[®] One**" and download the free App.

2. From here it is all simple. Open the **Vocal-it[®] One** App and take a photo of the QR Code to be able to record a 60-second voice message.

The message will remain active for 1 year for the first time it was recorded and anyone with a smartphone and a QR Code reader will be able to listen to it, although we recommend using **Vocal-it[®] One**.
